

EZ-SEALER ENVELOPE MACHINE

**AMERICAN
MAILING MACHINES**

THE EZ-SEALER FEATURES REBUILT GERMAN ENGINEERING,
PROVIDING UNMATCHED QUALITY, PERFORMANCE AND VERSITILITY

The EZ-SEALER is easy to use with a speed of up to 120 pieces per minute and positive tip-to-tip sealing. Experience the benefit of its ability to quickly complete tedious sealing projects. The EZ-SEALER is a product of re-engineering and rebuilding of a very high quality, German mailing system sold in the United States. This model was chosen for our rebuilding process because of its reliability and ease of operation.
